

Shift Your Lens™
Mission and Vision of Iroquois Avenue Christ Lutheran Church

Who are we as a church? This question is one that many spiritual institutions are asking themselves in a post-pandemic world. It is time that Iroquois Avenue Christ Lutheran Church explore the answer to that question as well.

Pastor Vicky Lovell and Living RED will be leading the congregation through a program entitled —*Shift Your Lens: Healing Your Stories™*. Over the course of the next four weeks members of the congregation will be invited to share important stories on the timeline of the church and Bible verses that are meaningful to them. There will be signs posted in the lounge where these stories and verses can be written or they can be emailed to Pastor Vicky at <vicky@victorialovell.com>.

In mid-September, Living RED will compile this information and share it with the congregation in October. The congregation will use this information to understand what core values drive us, what missions motivate us in the present, and what vision we have for the future. Future dates for community gatherings will be determined so all individuals will have an opportunity to share their voices in this process.

We look forward to exploring how God is on the move at Iroquois Avenue Christ Lutheran Church.
